Introduction to

Seesaw is a platform that is used to help students engage with their class teacher online.

Students can "show what they know" through sharing of photos, videos, drawings and text and receive feedback from their teacher.

The class teacher can find or create activities to share with the students.

Getting Access to Seesaw

There are 2 ways to access Seesaw

1. From a PC or Laptop   2. From a Mobile Device

You will receive a code from the class teacher.

This is the Home Learning Code and is required to log in to Seesaw.

To access the program from a **PC or Laptop** go to
